

**Safety for the professional.
Tranquility for the patient.**

REINER Dental means safety and trust. Our products meet the highest quality standards and accredit their excellence with the most rigorous analyzes. In addition, our 30 year guarantee for all our abutments and screws covers as well the one of other manufacturers when combining with our products.

REINER Dental guarantees:

- 30 year guarantee on all REINER dental prosthesis abutments, including screw - manufactured and supplied by REINER Dental - as well as implants from other manufacturers used with our abutments.
- The replacement of your products without additional costs, if they are defective in material or manufacturing or do not comply with our quality standards.
- Reimbursement of justified costs of material for a replacement implant, if the original implant was combined with REINER Dental material and, after the osseointegration period, the implant manufacturer cancels their guarantee as a consequence of combination with our products.
- Guarantee period for our products and those from other manufacturers is 30 (thirty) years from the date of date of delivery.

The guarantee will not apply in these cases:

- *Immediate restorations.*
- *For damages to REINER Dental products or implants due to external effects such as an accident or similar incidents, as well as medical negligence.*
- *Failure of REINER Dental products or implants in case of contraindication such as alcoholism, diabetes or drug addiction.*
- *In case of failure of implants of other manufacturers, derived from defects in material or manufacturing.*
- *In case of failure due to improper use of the product, not complying with the USE INSTRUCTIONS of REINER Dental and the common accepted dental practices.*
- *For any product undergoing transformation either by a dental technician or dentist.*

In addition, this voluntary guarantee will be added to the rights of guarantees defined by law.

The assignment of rights under this guarantee requires the consent of Reiner Medical, S.L.

For more details, see the warranty terms of Reiner Medical, S.L., to which we expressly refer. Such terms are available on the REINER Dental website and can be downloaded or printed.
